## THE NEW & ALLURING SUITE AZURE

Stepping inside the newly debuted Suite Azure at Casa Angelina, guests are greeted by the stunning interior design that instantly captures the essence of the surrounding landscape. The suite is elegantly decorated in multiple shades of light blue and white, carefully chosen by renowned Italian designer Paola Lenti to create a harmonious dialogue with the breathtaking views of the sea and sky. The space is adorned with aquamarine nuances that echo the shades of the sea, gloss-varnished side tables that perfectly complement the silent bed and an Agio chaise lounge that adds the perfect touch of modern sophistication.

With its stunning sea views and refined design, the Suite Azure at Casa Angelina is a brand-new haven for an unforgettable stay in the heart of the Amalfi Coast, and an extension of Casa Angelina's minimalist, white-washed design that sets it apart from the quintessentially Italian grandeur design of other hotels on the coast. Suite Azure complements the property's wide range of accommodations, including the Angelina Suite and four Eaudesea rooms, former fishermen's cabins repurposed as luxe guest rooms.
