

Casa La Laguna

LOS CABOS, MEXICO

Spacious and sprawling, Casa La Laguna is one of the largest beachfront homes available in Los Cabos. The Hacienda-style 7 bedroom villa accommodates 15-18 guests and offers over 10,000 square feet of living space decorated in a laid-back, Balinese style.

The professional staff of 9 includes house manager/private concierge, a gourmet chef, waiters, housekeeping and in-villa masseuse. A sparkling bilevel pool offers an upper wading pool, a 15 foot slide, and a lower infinity pool large enough for laps. The large beachfront Jacuzzi sits above the beach with views of the sea.

World class restaurants and resorts with stunning settings, and high-end shopping are 15 minutes away at the restful, colonial town of San Jose del Cabo, with the more vivacious Cabo San Lucas also within easy reach.
