

# ROUNDAABOUT

— EXPERIENCES —

SLOVENIA

Roundabout Experiences specializes in creating unique and exclusive itineraries throughout Slovenia, Croatia and surrounding regions. Armed with genuine enthusiasm, passion for travel, and over two decades of experience in the tourism business, they create custom vacations based on clients' specific tastes.

Sharing borders with Italy, Hungary, Croatia and Austria, Slovenia offers unique culinary experiences, and world class wines. The diversity of the landscape, rich historical and cultural heritage, and a wide range of activities for every season make it the perfect destination for travel year round. With Roundabout Experiences you can seek out excitement, culinary adventures, or a relaxing cultural experience.

Roundabout specialists are curators. Passionate and knowledgeable, they're dedicated to helping create memorable and unique experiences for every client.

## MORE ABOUT ROUNABOUT

Roundabout Experiences was founded in 2005 when Slovenian tourism was just beginning. The company's goal was to give customers an extremely original and flexible way of traveling the country and surrounding areas. The company specializes in a wide variety of experiences and extraordinary events.

Roundabout aspires to adhere to low environmental impact standards in order to keep their country as beautiful as it is today. In 2017 they were awarded the Travelife International Certificate for their sustainable orientation and promotion of sustainable tourism. They were the first company in their country to be awarded this certificate.

In addition to Slovenia, Roundabout offers tours and experiences in Croatia, Bosnia & Herzegovina, Serbia, and Montenegro.

## ACCOMMODATIONS

There are almost endless choices when it comes to accommodations with Roundabout Experiences. Clients can enjoy a stay in a castle, a cozy home, or even “glamping.” Options include:

- **Boutique**: Uber-modern villas to chic hotels bursting with night life to glamorous palaces such as the Relais & Chateaux Lešič Dimitri.
- **Luxury**: One of a kind hotels, castles, and resorts offering the ultimate luxurious experience.
- **Unique**: Stays available in a garden village in Bled or “Wine Glamping” in Ptuj, Slovenia.

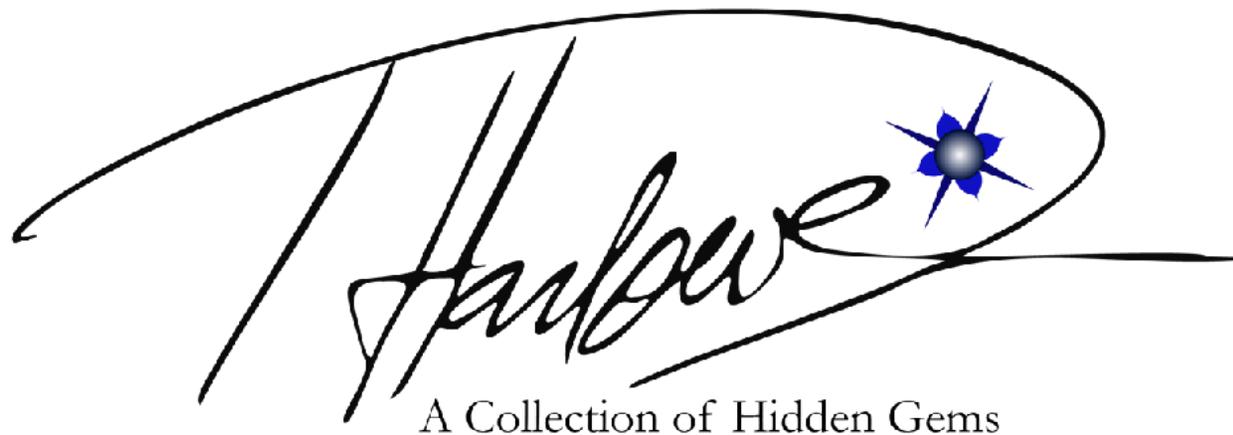

## EXPERIENCES

- **Food:** Essentially the “back stage pass” to Slovenian cooking. Clients can enjoy cooking classes, showcooking performed by renowned chefs, tastings, and gourmet dining along with insider tours of the cities and villages.
- **Wine:** The Slovenian area is renowned for its delectable wines. Clients can enjoy tastings and wine tours based on their personal preferences.
- **Adventure & Outdoor:** For those seeking excitement, clients can enjoy hiking, biking, rafting, kayaking, paragliding, and more, all in the beautiful countryside of Slovenia.
- **Extraordinary:** For clients who are really looking for the most unique experience, Roundabout offers Bear Watching, Private Helicopter Tours, and even paragliding into a vineyard to meet with a professional wine maker and sample the best Slovenian wines.
