

BOTANIA

RELAIS & SPA

ISCHIA

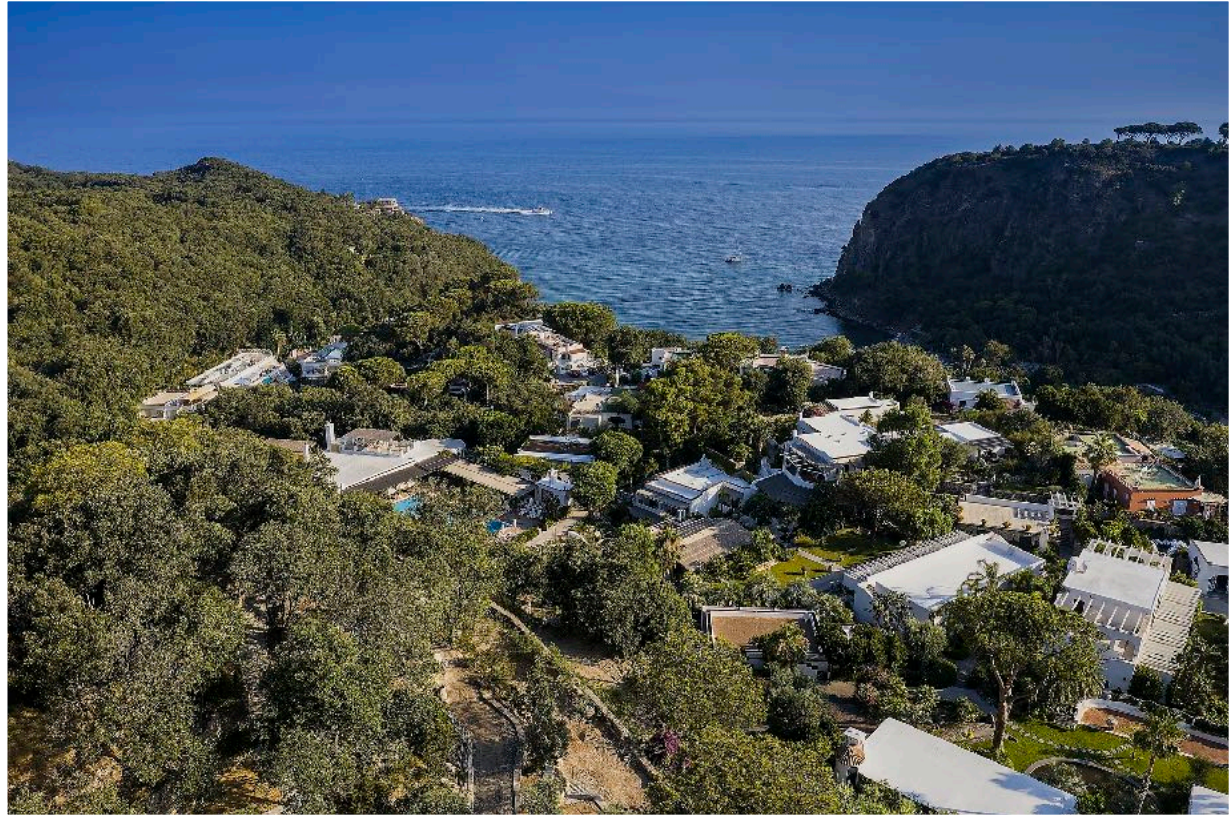

Botania Relais & Spa is located on the small, idyllic island of Ischia off the coast of Naples, Italy. Comprised of 9 Mediterranean-style buildings, housing 50 rooms and suites, the resort is splendidly set in over 7 acres of gardens less than half a mile from the beach. This oasis is filled with olive and carob trees, strawberries, pines, oaks, and a myriad of other flowers and plants. Nature walks offer panoramic views of rare beauty.

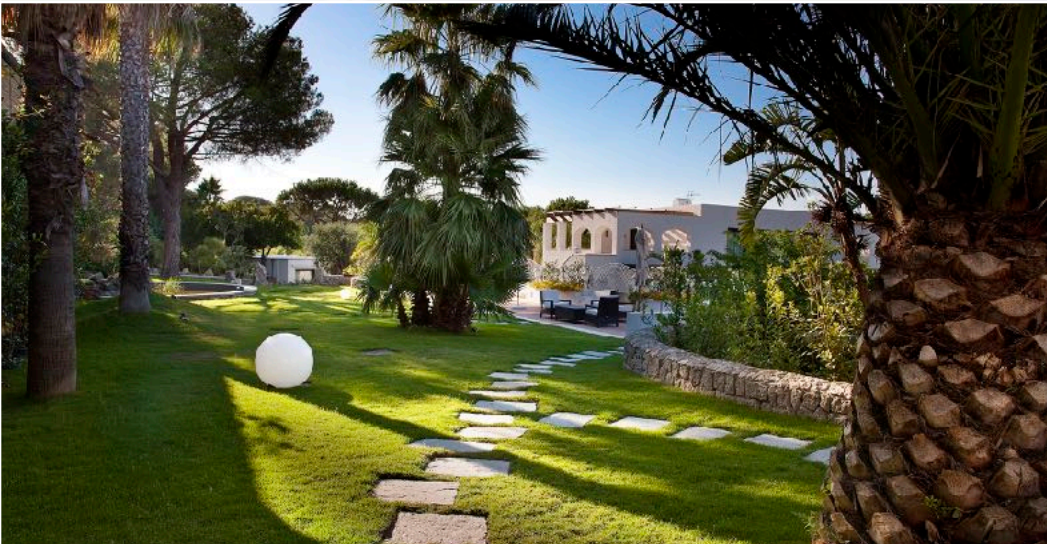

The resort features many luxurious amenities such as an indoor thermal pool, two delectable in-house restaurants including Ischia's only vegetarian restaurant, a newly constructed spa, and an amphitheater, featuring concerts and shows during the season.

The resort recently went through extensive upgrades, including the addition of more staff to further elevate the level of service.

Open April through October.
Open to guests over 12 years of age.
