

COSTA DEL CAPITANO

SUITE APARTMENTS · ISCHIA

Ischia, Italy

Costa del Capitano, the sister property of Botania Relais and Therasia Resort, is a beautifully appointed set of 10 private suite apartments, or villas, located on the island of Ischia off the coast of Sicily.

The one-of-a-kind rooms are carved out of the cliff that overlooks Sant'Angelo bay. The complex is built in perfect harmony with the surrounding nature, and guests can enjoy leisurely strolls through the grounds and gardens as well as spectacular views of the ocean.

The largest apartments are suitable for up to 6 people. Each apartment has access to the sweeping veranda overlooking the sea. Although the apartments are self-catered, it is also possible to arrange some meals in the beautiful dining room.

The resort which houses the apartments offers a garden park, swimming pool, solarium, and a reception staff available to book excursions, events, dining, and trips to local islands.

Open April through October to guests over 12 years of age.
