

Private Boat Excursions

(100% customizable)

This is a special way to discover the islands as you will have an experienced skipper who will show you the best corners of the sea! Hidden caves, natural geysers, crystal clear seabeds and much more for a once-in-a-lifetime experience. By choosing a private boat, you can customize the tour following the skipper's advice, taking into consideration the departure time, potential stops on the islands and return time; Kindly note the proximity of the islands as some are farther than others!

(We suggest visiting the following islands: Vulcano and Lipari, Lipari and Salina, Panarea and Stromboli, Alicudi and Filicudi).

Group Boat Excursions

(prearranged tours) Group excursions follow a weekly schedule with fixed itineraries and times.

Some companies offer tours with boats that accommodate a maximum of 15 people, while others up to a maximum of 100 pax.

Here are the various itineraries offered:

- 2-hour tour of Vulcano
- Full tour of Vulcano with a stop at Donkey Beach in Gelso for lunch
- Lipari and Salina
- Panarea and Stromboli
- Alicudi and Filicudi (organized usually only 1 time per week)

We are updated weekly regarding the various scheduled tours, therefore we are able to offer potential options for the days you are interested in, a few days in advance.

IMPORTANT INFO

The port of departure and return of the excursions will be communicated to you as soon as the details of the tour are finalized, as well as the exact departure time from the hotel as we offer a complimentary shuttle service.

NB: On the evening before the excursion (whether it be private or group) you will need to go to the reception to make the tour payment by credit card, upon which we will issue a voucher necessary for the excursion provider.

Climbing the Grand Crater

The Great Crater of Vulcan Island, better known as the "Pit of Vulcano," can be seen today with the indent formed from the last eruption which was in the spring of 1890.

The path that leads you to the crater can be strenuous but it is certainly within everyone's reach (classified as difficulty E - Hiking). The maximum altitude is 391 meters and a round trip hiking time of about 1.5/2 hours. It is possible to climb from 6:30 am to 10:30 am or from 4 pm to 7:30 pm. There is a traffic light at the starting point with either a green or red light to indicate whether or not you can hike up the volcano: this is based on the intensity of the sulfur fumes. You are certainly free to hike independently or with an experienced guide.

What you will need: hiking or closed-toe shoes, hat, sunscreen and water.

Rent an e-bike, mehari, mini-moke, car, quad bike, scooter.

Renting a vehicle is a great way to get around the island independently during your stay.

Diving\Snorkeling

We work with a center that provides a variety of diving activities (with or without a divers certification), as well as snorkeling activities guided by professionals who will help you discover the magnificent crystal clear seabeds and marine life!

Land tours of the Island

By cab or e-bike with expert guide. Accompanied by an expert guide who will provide insightful knowledge on the history, origins of the island of Vulcano and its flora and fauna. With this experience you will discover the most interesting places of the island and admire its landscapes.

Guided island tour by car or e-bike

Accompanied by a guide with infinite knowledge about the history and origins of the island of Vulcano as well as its flora and fauna, you will discover the most interesting places on the island and its breathtaking landscapes.

Tour by car - 2 people (about 2 hours)

Tour by ebike - 2 people (2\3 hours)

Paragliding

Experience the unique thrill of paragliding and admire breathtaking views from above. Together with professional pilots, you will fly over:

- Monte Saraceno, one of the highest points on the island, part of the Primordial Vulcano volcanic structure.
- Vulcano crater
- Hot Water Beach and thermal mud baths
- Black Sand Beach.

This experience is usually confirmed 1-2 days before the flight, as wind conditions must be optimal. You are put on a waiting list and as soon as the pilot confirms the weather conditions, we can confirm the activity. The cost is about 200 EUR per person.

Sunset Walk

The perfect activity for those who want to connect with the wild, volcanic nature of Vulcano without strenuous physical activity. During the walk, you will discover hidden paths and ruins, all while learning the secrets of Vulcano and its history.

There is the possibility to enjoy an aperitivo on Mount Saraceno, with products provided by the resort which include a few salty tidbits as well as a bottle of prosecco: the cost for this is €40 per person. By adding this stop, the tour will last approximately 4 hours.

Sailing Boat Tour

This is a full-day activity that includes:

- Aperitif
- Snorkeling
- Relaxation on board
- Coastal exploration
- Diving and swimming in the most beautiful bays.

In no time, you'll be able to hoist sails, understand how to interact with the wind, and experience the sea in a different, adventurous way! Or, you can just relax and let the sailors on board take care of everything. It is truly a unique experience!

Wine tasting in Lipari or Salina

Visit the various beaches on the island

- Black Sand Beach. Reachable by our shuttle, it has two lounges ("Baia negra" and "Absolut") equipped with sunbeds, umbrellas and a kiosk where you can eat or have a drink.
- Hot Water Beach. Just a short walk from the port and reachable by our complimentary shuttle, it features a natural hot water whirlpool, thanks to natural geysers from underground.
- Donkey Beach. It is possible to reach this hidden beach and oasis of peace and relaxation with a cab to the Gelso port, from there, the employees of the same beach will take you to your destination with a small dinghy in a few minutes. Reservations for this service can be made with the Guest Relation Team or in Reception.
