Sicilian Hospitality

DONNACARMELA

Our Story

DonnaCarmela tells represents the essence of beauty and charme held in an elegantly restored, ancient mansion. It offers the peculiar values of Sicilian hospitality providing high quality services, fine furniture, modern art details and precious materials. Everything is conceived and designed in order to make your stay unforgettable: the courtyards are made of in lava stones and river pebbles pavers. In addition, there are the ancient well, the well-stocked wine cellar, the swimming pool surrounded by secular olive trees.

LOCATION

Resort in the nursery

DonnaCarmela is a romantic, late nineteenth-century resort surrounded by 10.000 sm of lush Mediterranean and subtropical plants. More than 5000 varieties of bushes and flowers. This is the typical Sicilian scene which is reproduced in DonnaCarmela and thus give to this litter a uniqueness and charme where it is possible to relax.
